

BERTHOUD FIRE PROTECTION DISTRICT

To Serve. To Care. To Support.

TEMPORARY FIREWORKS SALES

A permit from Berthoud Fire Protection District is required to construct, erect, and operate a temporary structure, tent or canopy used for the purpose of selling 1.4g consumer fireworks to the public, and for the temporary storage of fireworks, 1.4g in connection with such sales.

- Sales shall be for a period from June 15 to July 4 at 11:49 p.m.
- All required submittals must be received by the District a minimum of ten (10) business days prior to the installation of the permitted stand.
- An inspection of the site is required; request for an inspection must be made forty-eight (48) hours prior to the requested inspection date.
- The permit will be issued upon successful completion of the inspection.
